## **Luxus Vacation Properties hosts Second Annual Charity Golf Tournament and provides generous support to The Children's Wish Foundation of Canada**

EDMONTON, AB – On July 21, 2011, Luxus Vacation Properties (LVP) hosted its second annual charity golf tournament at Blackhawk Golf Club. Once again, The Children's Wish Foundation (Alberta/N.W.T. Chapter) was selected as the organization to be supported by the proceeds raised.

Through the silent and live auction events, Luxus Vacation Properties was able to present the Children's Wish Foundation with a cheque for \$80,000. "The support from our participants and our sponsors far exceeded our expectations this year and the result was a truly outstanding and quality line up of silent and live auction items for our participants to bid on," explains Stephen Petasky, President of LVP. "The generosity in the room was overwhelming and we couldn't be more pleased with the result."

"Despite days of rain leading up to our tournament date, we were incredibly relieved to be greeted by such a beautiful sunny day without a cloud in sight" says Danielle L'Heureux, Director of Operations for LVP. "It certainly put a smile on everyone's faces and set the tone

for what turned out to be a magical day for us and for the Children's Wish Foundation."

LVP was privileged to have one of the wish families being supported by their donation in attendance at their event which opened many eyes to the amazing work that the Children's Wish Foundation has done for wish children and their families. "It was during our last cancer hospitalization that Atticus decided where he wanted to go. He was having a heart ECHO done, and while conversing with the technician he discovered a wonderful place called Hawaii where you could see volcanoes first hand" his mother, Kerri Paine shared at the tournament.

LVP wants to make the Paine family's vacation to Hawaii even more special and has extended an invitation for them to stay at one of the Luxus properties on the Big Island. "This is a perfect example of how we can make great use of time that would otherwise not be utilized by one of our Partners to help create the experience of a lifetime for such a deserving family. This is something that all of our Partners can feel proud of" says Petasky.
